Governor Details and Register of Interests

FAIRBURN VIEW PRIMARY SCHOOL 2021- 2022

From 1 September 2015, governing bodies of local authority maintained schools in England were required to publish on their website their register of interests. This register meets statutory requirements by setting out relevant business interest of our governors and details of any other educational establishments that they govern. The register includes details of any relations between governors and members of the school staff including spouses, partners and relatives.
