Dear Parent/ Carer,

It has been a very strange and difficult half term for us all, but as ever we are so grateful for your understanding and support throughout this time. We are also very proud of our pupils who have shown real resilience and effort at this time and completing their school work under strange circumstances.

As I said on my Facebook Live assembly last week, we wanted a way of saying thank you and well done. So, we have bought a Pantomime for you to watch as a family. It is available from now until the Friday 26<sup>th</sup> February so you can watch more than once if you wish. It is called 'Robin Hood and his Socially Distanced Friends!'

The way you can access the Pantomime at home is:

Log into <https://www.takeawayproductions.com/watch-now>

Password Feb142RH

We do hope you all enjoy this little treat from us as a way of saying thank you and as ever keep safe and we do hope it is not too long until we see you all again.

School is shut to all children on Friday 12<sup>th</sup> February due to an INSET day and it reopens to Key worker children again at 8.30am on Monday 22<sup>nd</sup> February 2021. Remote learning and lessons on continue on that day. Please look out for links on the Facebook pages and on the school website.

Yours sincerely,

M Brownlee  
Head teacher
