Sir Tom hit the headlines for walking 100 times up and down his garden – what are your going to do? It must be something physical, for example: walking 10 laps a day around the garden, star jumping for 5 minutes or going on a bike ride every day.

We are asking all children, to choose an activity, ask for sponsorship and then complete the activity for 2 weeks (starting on Monday 22nd February).

I am going to	ever	Ч	day	for	2	weeks.
